FINE ART PHOTO ALBUM PAGE SPREADS

List photo numbers, located on the back of your proof photo or digital file name (ex. joe_001) in the order that is desired. If you wish to have a landscape oriented photo take up an entire spread across two pages, this can be indicated by writing "full spread" along with the photo/file name in one of the page numbers leaving the other page blank. Otherwise, landscape oriented photos will be cropped to be a portrait oriented photo. Please keep in mind for 8"x8" books, photographs will also be cropped to a square size. Please indicate if a specific cropping is preferred.
